## In Case of Emergency Procedure

**Carleton Running Community** is based at The Carleton Pub, Hardwick Road, Carleton, Pontefract WF8 3PQ, and trains at 7.00pm on Tuesdays and Thursdays. Training groups are led by experienced club officials and coaches, who follow the Road Running Risk Assessment procedure. **Run leaders must ensure they have mobile phone capability in the group they are leading.** However, there will be occasions when an incident or accident occurs which may require contacting the emergency services. In these circumstances, the following procedure should be followed:

1. Contact the emergency services directly by mobile phone

Then contact either: Chris Whawell (Chairman) 07525 831180 or  
Rich Lord (Secretary) 07792 222294

who are our Welfare Officers; they will have both ICE contact information and any medical details of the athlete involved.

2. Give your name and mobile phone number, and the name of the athlete concerned.
3. Should the athlete not need the emergency services, but require picking up and bringing back to The Carleton Pub then contact either
